To Whom It May Concern:

Thank you so much for your generosity and continue support for Georgia China Alliance! As we move forward with our new agenda, we would like to express our special appreciation of those of you who participated as founding and/or corporate members for the past years. We also sincerely hope you will continue your support and renew your membership for 2015.

This year, various membership levels are available and described in the attached document entitled "Membership or Sponsorship Opportunities". As stated therein, GCA will continue to provide a platform for resources, educations, and/or opportunities for U.S. companies interested in doing business in China, and *vice versa*. As such, GCA plans to host several meaningful events focusing on various "themes," including but not limited to, export and import; real estate; banking and accounting. GCA has also been working to improve the website, www.georgiachina.com, to create better user experience.

If your corporation is interested in supporting GCA with an Annual membership and/or sponsorship, please let me know April 15, 2015. All member logos must be submitted upon paying the membership fee to ensure publication in GCA's materials and/or uploading onto the GCA website.

Please feel free to contact me directly at (404) 885-3617, or via e-mail at lei.fang@troutmansanders.com with any questions.

Best regards,

/Lei Fang/
